If you are already a Broadacres tenant you may find that at some point your circumstances may change and you may want to move to other of our properties

If you need our help to find more suitable accommodation we can help you in the following way:

You can apply for a move to another one of our properties . We will give priority to tenants who need to move because of :

- Overcrowding
- Medical reasons
- Accommodation being the wrong size
- Other circumstances

Outside Hambleton District, we have a limited number of properties and only a small turnover of vacancies. If you want to move in these areas you should contact the local council and apply to go on their waiting list. If you have priority they will be able to put your name forward to other housing associations or for their own properties.
